INDEPENDENT AUDITORS' REPORT

Board of Directors Habitat for Humanity of Pinellas County, Inc. and Subsidiary

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Habitat for Humanity of Pinellas County, Inc. and Subsidiary (the Organization), which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities and cash flows for the years then ended, the related consolidated statement of functional expenses for the year ended June 30, 2014, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Organization as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended, and its functional expenses for the year ended June 30, 2014, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited the Organization's 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 14, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 9, 2014, on our consideration of Habitat for Humanity of Pinellas County, Inc.'s (Habitat) internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat's internal control over financial reporting and compliance.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE A - NATURE OF ORGANIZATION

Habitat for Humanity of Pinellas County, Inc. (Habitat) was incorporated in January 1985. Habitat is an affiliate of Habitat for Humanity International, Inc. (Habitat International), a nondenominational Christian, not-for-profit organization, whose mission is to build and repair simple, decent, affordable houses with those who lack adequate shelter. Although Habitat International assists with information resources, training, publications, prayer support, and in other ways, Habitat is primarily and directly responsible for its own operations.

Pinellas Funding Company I, LLC (Pinellas Funding) was incorporated in July 2013 and is solely owned by Habitat. Pinellas Funding was formed during the current year to complete the sale of mortgages with PNC Bank (see *NOTE* T). Pinellas Funding purchases mortgages from Habitat and subsequently sells these the mortgages to PNC Bank.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Consolidation and Presentation

The consolidated financial statements include the accounts of Habitat and Pinellas Funding (the Organization). The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP). All material intercompany transactions and balances have been eliminated in consolidation.

The Organization presents information regarding its consolidated financial position and activities according to three classes of net assets described as follows:

- Unrestricted Net Assets All resources over which the governing board has discretionary control. The governing board of the Organization may elect to designate such resources for specific purposes. This designation may be removed at the Board's discretion.
- Temporarily Restricted Net Assets Resources accumulated through donations or grants for specific operating or capital purpose. Such resources will become unrestricted when the requirements of the donor or grantee have been satisfied through expenditure for the specified purpose or program or through the passage of time.
- Permanently Restricted Net Assets Resources accumulated through donations or grants that are subject to the restriction in perpetuity that the principal be invested. These net assets include the original value of the gift, plus any subsequent additions.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

2. Use of Estimates

The preparation of consolidated financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported revenues and expenses. Accordingly, actual results could differ from those estimates. Significant estimates included in the consolidated financial statements include allocation of expenses by function, useful lives of depreciable assets, the allowance on unconditional promises to give, impairment of land held for development, and discount on non-interest bearing mortgage loans.

3. Fair Value Measurement

The consolidated financial statements are prepared in accordance with an accounting standard, for all financial assets and liabilities and for nonfinancial assets and liabilities recognized or disclosed at fair value in the financial statements or on a recurring basis (at least annually). Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on a measurement date. The standard also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

4. Fair Value of Financial Instruments

At June 30, 2014, the following methods, assumptions, and accounting principles are used to estimate fair value of each of the following classes of financial instruments for which it is practical to estimate value:

Cash and cash equivalents - the carrying amount reported in the consolidated statements of financial position approximates fair value because of the short maturity of those instruments.

Unconditional promises to give - the fair value is determined as the present value of the amount pledged based on the interest rates applicable in the year the promises were received.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

4. Fair Value of Financial Instruments - Continued

Mortgage receivables - the fair value is determined at the present value of the loan.

Investment in joint venture - the carrying amount reported in the consolidated statements of financial position approximates fair value because of the short maturity of those instruments held by the joint venture.

Accounts payable and accrued expenses - the carrying amount reported in the consolidated statements of financial position approximates fair value because of the short maturity of those instruments.

Lines-of-credit, capital lease payable, and notes payable - the carrying amount reported in the consolidated statements of financial position approximates fair value because the Organization can obtain similar loans of comparable maturities and rates by the Organization's financial institution.

5. Cash and Cash Equivalents

Cash and cash equivalents consist of cash on deposit with financial institutions and money market mutual fund accounts. The Organization considers all highly liquid assets with an initial maturity of three months or less as cash. Restricted cash consists of funds temporarily restricted by donors for specific use.

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash held in financial institutions in excess of federally-insured limits. From time to time throughout the years ending June 30, 2014 and 2013, the Organization's cash balance may have exceeded the federally insured limit. However, the Organization has not experienced and does not expect to incur any losses in such accounts.

6. Assets Held in Escrow

The Organization currently services the mortgages on the homes it sells. Included in assets held in escrow are cash amounts received for insurance and property taxes on such homes. These cash amounts are recorded as an asset offset by a related liability.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

7. Accounts Receivable

Accounts receivable consist mainly of mortgages receivable that are pending funding in order to transfer the loans purchased by a financial institution. Loans closed but not yet transferred at the end of the year are recorded in the consolidated statements of financial position as accounts receivable.

8. Unconditional Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional contributions that are restricted by the donor are reported as increases in unrestricted net assets, if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, or when a pledge becomes due, temporarily restricted net assets are reclassified to unrestricted net assets.

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

The Organization uses the allowance method to determine uncollectible unconditional promises. The allowance is based on prior years' experience and management's analysis of specific promises made.

9. Habitat ReStore Inventory

Habitat ReStore inventory includes donated household building materials, appliances, and furniture that are sold at the Habitat ReStore in Clearwater, Florida. Merchandise is recorded at its estimated fair market value, which is determined based on its future economic benefit.

10. Homes Under Construction

Homes under construction consist of labor, material, and lot costs using the specific identification method. It also includes indirect construction costs incurred during the construction period. Habitat transferred 27 homes to homeowners in 2014 and 26 homes in 2013. Homes under construction that are completed during the year but not transferred to a homeowner at year-end are moved to homes awaiting closing.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

11. Land for Future Construction

Land for future construction includes the cost of land and improvements to land or, if donated, the approximate fair value of the land at the date of the donation, held for future construction of homes.

12. Property and Equipment

Property and equipment are recorded at acquisition cost, including costs necessary to prepare the asset for its intended use. Depreciation expense is provided on a straight-line basis over the estimated useful lives of the assets ranging from 3 - 10 years.

Maintenance and repairs are charged to expense as incurred, while renewals and betterments in excess of \$500 are capitalized.

13. Impairment on Long-Lived Assets

The Organization's long-lived assets, such as land, building, and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized for the amount by which the carrying amount exceeds the fair value of the asset.

Assets to be disposed of would be separately presented in the consolidated statements of financial position and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer depreciated. The assets and liabilities of a disposal group classified as held for sale would be presented separately in the appropriate asset and liability sections of the consolidated statements of financial position. The Organization recognized an impairment loss on land held for development and property held for investment during the years ended June 30, 2014 and 2013 (see *NOTE N*).

14. Non-Interest Bearing Residential Mortgage Loans

Pursuant to the sale and servicing agreement with various financial institutions, the Organization must service the loans for the remainder of the mortgage term. Mortgage loans consist of non-interest bearing mortgages secured by real estate and payable in monthly installments over the life of the mortgage. Past due and delinquent mortgage loans are assessed at the discretion of the Board of Directors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

15. Beneficial Interest in Assets Held by Others

The beneficial interest in trust is recorded at fair value in the consolidated statements of financial position. The change in the fair value of the beneficial interest is adjusted at year end and recorded in the permanently restricted asset class in the consolidated statements of activities.

16. Other Assets

Other assets consist mainly of other receivables, refundable deposits, and intangible assets. In accordance with US GAAP, if an intangible asset is determined to have an indefinite useful life, it shall not be amortized until its useful life is determined to be no longer indefinite. Substantially all of the intangible assets are costs associated with the investment in joint venture to take advantage of the New Market Tax Credit (see *NOTE I*), and are being amortized over the estimated life of this joint venture on a straight-line basis. Website and software costs are being amortized over three years.

17. <u>Revenue Recognition</u>

Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and or nature of any donor restrictions.

The Organization recognizes revenue from home sales when a closing occurs. A closing is considered to occur when title, possession, and other attributes of ownership have been transferred to the buyer; and the Organization is not obligated to perform significant activities after the sale.

Federal, state and local government, and other grants are recognized as support when performance occurs pursuant to the contract agreement.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

18. Donated Services

Donated services and materials are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. These are reflected in the accompanying consolidate statements of activities, at their estimated fair market values at the date of receipt. Contributions of services are recorded if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During the years ended June 30, 2014 and 2013, Habitat recorded donation revenue of approximately \$507,000 and \$466,000 related to donations of building materials and services. During the years ended June 30, 2014 and 2013, Habitat received approximately \$831,000 and \$1,137,000 in donated lots from various financial institutions and donors recorded at their tax assessed just market value which approximates fair value.

19. Transfers to Homeowners

Transfers to homeowners are recorded at the gross mortgage amount plus down payment received. Non-interest bearing mortgages have been discounted based upon prevailing market rates for low income housing at the inception of the mortgages, as provided by Habitat International. Utilizing the effective interest method, this discount will be recognized as mortgage discount amortization income over the term of the mortgage.

20. Advertising Costs

Advertising costs are expensed as incurred and were approximately \$89,000 and \$49,000 for the years ended June 30, 2014 and 2013, respectively.

21. Income Tax Status

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code under a group exemption letter granted to Habitat International. Accordingly, no provision for income taxes has been recorded.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

22. Uncertain Tax Positions

The Organization accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The Organization has identified its tax status as a tax-exempt entity as its only significant tax position; however, the Organization has determined that such tax position does not result in an uncertainty requiring recognition. The Organization is not currently under examination by any taxing jurisdiction. The Organization's federal returns are generally open for examination for three years following the date filed.

23. Functional Expense Allocation

The costs of providing the programs and supporting services have been reported on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted.

Program and supporting expenses, when specifically identifiable, are classified to the function which incurred the expense. Certain expenses are allocated to each function based on management's estimate of time spent within each category.

24. Comparative Financial Information

The accompanying consolidated financial statements include certain prior year summarized comparative total amounts. Such information does not include sufficient detail to constitute a presentation in conformity with US GAAP. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2013, from which the summarized information was derived.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE C - UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give consist of the following at June 30:

		<u>2014</u>		<u>2013</u>
Gross unconditional promises to give	\$	24,157	\$	27,200
Less: Allowance for uncollectible promises Less: Unamortized discount		(12,207) (899)		(1,213)

	<u>\$</u>	11,051	<u>\$</u>	25,987

Promises to give with due dates extending beyond one year are discounted to present value using Treasury bill rates with similar term investments with an added amount for economic uncertainty. The applicable discount rate at June 30, 2014, was approximately 3%. For the years prior to 2014, promises to give were discounted with rates ranging from 1% - 5%.

At June 30, 2014 and 2013, approximately \$-0- and \$6,500 respectively, was deemed uncollectible and written off to bad debt expense.

	<u>\$ 1,630,997</u>	<u>\$ 1,154,426</u>

2014

2012

The initial amount of each mortgage loan approximates the Organization's cost to build the house, plus mortgage discount expense. The residential mortgage loans have been discounted to reflect their economic value. The interest rates used to determine the discount range from 7.0% - 10.0% and are based on prevailing market rates, as provided by Habitat International, in the year the mortgage originated. The discount rate used during the years ended June 30, 2014 and 2013 was 7.6% and 7.4%, respectively. The discount is calculated by computing the present value of each of the non-interest bearing notes using the applicable discount rate.

NOTE F - BENEFICIAL INTEREST IN ASSETS HELD BY OTHERS

In 2006, the Organization established accounts with the Pinellas Community Foundation (PCF) in the amount of \$10,000 and Community Foundation of Tampa Bay (CFTB) in the amount of \$10,000. This total amount of \$20,000 is considered an asset (beneficial interest in assets held by others) of the Organization and is included in the accompanying consolidated statements of financial position as of June 30, 2014 and 2013 as both an asset and a permanently restricted net asset. Although the Organization does not have the right to receive the assets per the Trust Agreements, the contribution to these funds is considered an asset of the Organization as it has been named beneficiary. Earnings on the funds, net of any service fees, will be periodically distributed to the Organization in accordance with the agreement. The Organization has received approximately \$1,000 in earnings on these accounts for the years ending June 30, 2014 and 2013. The trust assets are composed of cash and cash equivalents, fixed income, equity securities, and real and tangible asset funds. The portfolio is managed by an investment company.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE G - FAIR VALUE MEASUREMENT

The Organization's investments are reported at fair value in the accompanying statements of financial position. During the year ended June 30, 2014, the Organization transferred its beneficial interest in perpetual trust to Level 3 based on additional analysis performed by management. The analysis determined that these items should be reported at Level 3 because the fair values for these assets have unobservable inputs.

Following is a description of valuation methodologies used for investments measured at fair value.

Beneficial interest in a perpetual trust - the investments are managed by a third party which is unrelated to this Organization. The trust assets are valued based upon the third party information without adjustment. The Organization does not develop nor are they provided with the quantitative inputs used to develop the fair market values.

NOTE I - INVESTMENT IN JOINT VENTURE

The Organization invested, along with four other Habitat affiliates, in a joint venture (HFHI-SA Leverage IX, LLC) with 17.26% ownership to take advantage of New Market Tax Credit (NMTC) financing. NMTC financing allows an entity to receive a loan or investment capital from outside investors, who will receive new markets tax credits to be applied against their federal tax liability. As a result, the Organization has invested approximately \$1,530,000 and was able to secure a 15-year loan in the amount of \$2,023,656 payable to a community development entity. The loan proceeds are to be used solely for the purpose of constructing and selling qualified housing properties to low income residents. The loan accrues interest only for years one through seven at a reduced rate of .755%. Beginning in year eight through year fifteen, the principal balance of the loan is reduced by an eight-year amortization at the same rate of .755% (see *NOTE K*).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE I - INVESTMENT IN JOINT VENTURE - CONTINUED

In August 2012, the Organization invested, along with other Habitat affiliates, in a joint venture to take advantage of NMTC financing. INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors Habitat for Humanity of Pinellas County, Inc. and Subsidiary

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Habitat for Humanity of Pinellas County, Inc. and Subsidiary (Habitat), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 9, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Habitat's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Habitat's internal control. Accordingly, we do not express an opinion on the effectiveness of Habitat's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS - CONTINUED

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Habitat's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Habitat's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Habitat's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of Habitat's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Habitat's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Habitat's compliance.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133 - CONTINUED

Opinion on Each Major Federal Program

In our opinion, Habitat complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control over Compliance

Management of Habitat is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Habitat's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Habitat's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency or a combination of deficiencies, in internal control over a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
