Habitat for Humanity of Pinellas and West Pasco Counties will host its first virtual Community Builders Breakfast event on Wednesday, February 24th at 8:00 am.

Traditionally, our Community Builders Breakfast and Lunch events are held in person where members of our community can network and learn more about our affiliate's mission. This year, due to the safety protocols and guidelines surrounding COVID, we are electing to take our event virtual. Although we cannot gather in person, we still need your help and support.

We hope you will take into consideration sponsoring our event. All event proceeds will help us to continue to serve our mission of building homes, community and hope.
