Independent Auditor's Report

RSM US LLP

Board of Directors Habitat for Humanity of Pinellas County, Inc.

Opinion

We have audited the consolidated financial statements of Habitat for Humanity of Pinellas County, Inc. and Subsidiaries (the Organization), which comprise the consolidated statements of financial position as of June 30, 2022 and 2021, the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2022 and 2021, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Organization's ability to continue as a going concern for a
 reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control–related matters that we identified during the audit.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements* for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 1, 2022], on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies

Habitat for Humanity of Pinellas County, Inc. (Habitat) was incorporated in January 1985. Habitat is an affiliate of Habitat for Humanity International, Inc. (Habitat International), a nondenominational Christian, not-for-profit organization, whose mission is to build and repair simple, decent, affordable houses for those who lack adequate shelter. Although Habitat International assists with information resources, training, publications, prayer support and in other ways, Habitat is primarily and directly responsible for its own operations.

Pinellas Funding Company I, LLC (Pinellas Funding) was incorporated in July 2013 and is solely-owned by Habitat. Pinellas Funding was formed to complete the sale of mortgages with PNC Bank (see Note 16). Pinellas Funding purchased mortgages from Habitat and subsequently sold these mortgages to PNC Bank.

On August 31, 2010, Pinellas County Habitat for Humanity Community Development Organization (Pinellas CHDO) was incorporated as a not-for-profit organization in accordance with the laws of the State of Florida. Pinellas CHDO is wholly owned by Habitat and has met the requirements specified by the U.S. Department of Housing and Urban Development (HUD) to act in the capacity of a Community Housing Development Organization (CHDO) and has been certified by Pinellas County, Florida. As a result, Pinellas CHDO is eligible to participate in government programs that provide special set-aside funds that can be used to provide affordable housing to low income families within Pinellas County.

The following are the significant policies used in the preparation of the accompanying consolidated financial statements:

Principles of consolidation: The accompanying consolidated financial statements include the accounts of Habitat, Pinellas Funding and Pinellas CHDO (collectively, the Organization), which are not-for-profit corporations. The entities comprising the Organization are related through a controlling financial interest and Habitat's direct and indirect ability to determine the direction of management. All significant intercompany accounts and transactions have been eliminated in the consolidation.

Basis of presentation: A not-for-profit organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions: Contributions and other inflows of assets that are not subject to donor imposed stipulations, but may be designated for specific purposed by actions of the Board of Directors (Board). This designation may be removed at the Board's discretion. Net assets without donor restrictions include expendable funds available to support operations as well as net assets invested in property and equipment.

Net assets with donor restrictions: Contributions and other inflows of assets subject to donor-imposed stipulations. Some donor-imposed restrictions are temporary in nature, such as those that will be met by actions of the Organization or by the passage of time. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates resources be maintained in perpetuity. Donor-restricted contributions for which restrictions are met within the same year as received are reported as contributions without donor restrictions.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

Use of estimates: The preparation of consolidated financial statements in conformity with generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported revenues and expenses. Accordingly, actual results could differ from those estimates.

Fair value measurements: The Organization measures beneficial interest in assets held by community foundations at fair value on a recurring basis (at least annually). The Organization defines fair value in accordance with U.S. GAAP, which specifies a hierarchy of valuation techniques used to measure fair value. The disclosure of fair value estimates is based on whether the significant inputs into the valuation are observable. In determining the level of hierarchy in which the estimate is disclosed, the highest priority is given to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs.

The following in a brief description of the type of valuation information (inputs) that qualifies a financial asset for each level:

- **Level 1:** Unadjusted quoted market prices for identical assets or liabilities in active markets which are accessible by the Organization.
- **Level 2:** Observable prices in active markets for similar assets or liabilities. Prices for identical or similar assets or liabilities in markets that are not active. Market inputs that are not directly observable but are derived from or corroborated by observable market data.
- **Level 3:** Unobservable inputs based on the Organization's own judgment as to assumptions a market participant would use, including inputs derived from extrapolation and interpolation that are not corroborated by observable market data.

The Organization evaluates the various types of financial assets to determine the appropriate fair value hierarchy based upon trading activity and the observability of market inputs. The Organization employs control processes to validate the reasonableness of the fair value estimates of its assets and liabilities, including those estimates based on prices and quotes obtained from independent third-party sources.

While the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the report date.

During the years ended June 30, 2022 and 2021, there were no changes to the Organization's valuation techniques that had, or are expected to have, a material impact on its consolidated statements of financial position or activities and changes in net assets.

Cash and cash equivalents: Cash and cash equivalents consist of cash on deposit with financial institutions. The Organization considers all highly liquid assets with an initial maturity of three months or less as cash. Financial instruments which potentially subject the Organization to concentrations of credit risk consist principally of cash held in financial institutions in excess of federally insured limits. From time to time the Organization's cash balances may have exceeded the federally insured limit. However, the Organization has not experienced, and does not expect, to incur any losses in such accounts.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

Assets held in escrow: The Organization currently services the mortgages on the homes it sells. Included in assets held in escrow are cash amounts received for insurance and property taxes on such homes. These cash amounts are recorded as an asset and offset by escrow deposits, a related liability.

Accounts receivable and other receivables: Accounts receivable consist of various amounts due from homeowners and homeowner candidates. Other receivables consists of second mortgages, a note receivable in connection with a new markets tax credit program (see Note 8), and amounts due from various financial institutions. Management estimates the allowance for uncollectible accounts receivable and other receivables based on a review of the individual receivable outstanding as of the end of the year. The Organization has determined that all amounts are collectible; accordingly, no allowance for potentially uncollectible accounts has been recorded at June 30, 2022 and 2021.

Unconditional promises to give: Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional contributions that are restricted by the donor are reported as increases in net assets without donor restrictions, if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, or when a pledge becomes due, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated cash flows. Conditional promises to give are not included as support until the performance and/or control barriers are substantially met.

The carrying amount of unconditional promises to give is reduced by a valuation allowance that reflects management's best estimate of the amount that will not be collected. The allowance is based on prior years' experience and management's analysis of specific promises made. Certain accounts are written off under the direct write-off method' other accounts are part of the reserve for doubtful accounts established based on management's estimate.

As of June 30, 2022 and 2021, the Organization recorded allowances in the amount of \$66,000 and \$56,000, respectively.

Estate receivables: The Organization was named as a beneficiary of future distributions from an estate. The estate receivable was recorded at fair value upon the Organization's interest becoming irrevocable and measurable. The Organization received final distribution from the estate during 2022.

Habitat ReStore inventory: Habitat ReStore inventory includes donated and purchased household building materials, appliances and furniture that are sold at the Habitat ReStores. Donated merchandise is stated at its estimated fair value, which is determined based on its future economic benefit. During the years ended June 30, 2022 and 2021, the Organization estimated the fair value of donated merchandise to be approximately \$1,353,000 and \$1,345,000, respectively. Purchased merchandise is stated at lower of cost or net realizable value, with cost being determined by the first-in, first-out method.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

Homes under construction: Homes under construction consist of labor, material and lot costs using the specific identification method, and include indirect construction costs incurred during the construction period. When the home is ultimately sold, construction costs are expensed and reported as building materials and supplies in the consolidated statements of functional expenses. As the purpose and mission of the Organization is to build affordable housing for low-income families, the Organization does not generally write down the value of homes under construction to estimated sales value, because any excess cost over sales value is a component of program services. Habitat transferred 67 and 60 homes to homeowners during the years ended June 30, 2022 and 2021, respectively.

Land held for development: Land held for development includes the cost of land and land improvements or, if donated, the approximate fair value of the land at the date of the donation, held for future construction of homes. Land held for development is carried as the lower of costs or net realizable value.

Property and equipment: Property and equipment are recorded at acquisition cost, including costs necessary to prepare the asset for its intended use, less accumulated depreciation. Depreciation expense is provided on a straight-line basis over the estimated useful lives of the assets ranging from three to 10 years.

Maintenance and repairs are charged to expense as incurred, while renewals and betterments in excess of \$1,000 are capitalized. Upon retirement, sale or other disposition of property and equipment, the costs an accumulated depreciation are eliminated from the accounts and any resulting gain or loss is included within the consolidated statements of activities and changes in net assets.

Impairment of long-lived assets: The Organization's long-lived assets, such as land, building and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized for the amount by which the carrying amount exceeds the fair value of the asset. The Organization determined there was no impairment on long-lived assets as of June 30, 2022 and 2021.

Mortgages receivable, net and other mortgages: Mortgages receivable consist predominantly of non-interest bearing residential first mortgages secured by real estate and payable in monthly installments over the life of the mortgage, generally ranging from five to 35 years. Non-interest-bearing mortgages have been discounted based upon prevailing market rates for low-income housing at the inception of the mortgages, as provided by Habitat International. This discount will be recognized as mortgage discount amortization income over the term of the mortgage.

In addition to the mortgages receivable included in the consolidated statements of financial position, the Organization also enters into equity creation agreements with certain homebuyers. These equity creation agreements known as a shared equity agreement at the same time of the first mortgage and reflect the difference between the purchase price and the fair market value of the house. This equity creation agreement is part of the mortgage document and is executed for protection against homeowners who may sell their house for a profit before the mortgage is repaid, and to protect the homeowner by preventing predatory lenders from paying off the first mortgage and saddling the homeowners with an onerous new mortgage. This amount is considered forgiven by the mortgagee over the life of the mortgage and the mortgagor agrees that the remaining balance is secured by the mortgage until forgiven in full. The Organization does not record a value for the equity creation agreements as it is unlikely that the amount will ever be collected.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

The Organization uses established underwriting criteria to ensure that only families who meet the Organization's financial and credit criteria are approved to be partner families and receive a non-interest-bearing mortgage loan from the Organization. This includes, but is not limited to, a thorough review of each prospective homeowner's credit report, sources of income and financial history.

The Organization regularly reviews its mortgages receivable and monitors the accounts for delinquencies. The Organization has documented delinquency procedures that are followed starting with 10 to 15 days after the payment due date. Once a payment is 120 days or more late, the Organization will turn the file over to its attorney who will send a letter or other notice as required by law. If the homeowner does not cure the default, foreclosure proceedings are initiated.

Non-interest-bearing mortgages originated are discounted based on prevailing market rates at the time of the sale, which results in the net mortgage receivable balances being generally less than 50% of the home's fair value. Therefore, the Organization believes that losses resulting from nonpayment of mortgage notes receivable, given its collateral value, are not likely. Accordingly, the Organization has not recorded an allowance for mortgages receivable.

Debt issuance costs: Debt issuance costs are amortized using the straight-line method over the expected life of the related debt, which approximates the effective interest method, and are presented as a direct deduction from the face amount of the financings (see Note 10). The related expense is included in interest expense in the consolidated statements of activities and changes in net assets.

Investment in joint venture: The Organization makes investments in various companies to facilitate New Markets Tax Credit transactions (see Note 8). The Organization accounts for their investment under the equity method of accounting as they maintain significant influence over the investment; however, do not have control.

Beneficial interest in assets held by foundations: The beneficial interest in assets held by community foundations is recorded at fair value in the consolidated statements of financial position. Changes in the fair value of the beneficial interest in assets held by foundations are recorded as investment income (loss) in the consolidated statements of activities and changes in net assets.

Other assets: Other assets consist mainly of prepaid expenses, refundable deposits and intangible assets. In accordance with U.S. GAAP, if an intangible asset is determined to have an indefinite useful life, it shall not be amortized until its useful life is determined to be no longer indefinite.

Revenue recognition: The Organization first determines if a transaction represents an exchange transaction and if so, accounts for the transaction in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 606, Revenue from Contracts with Customers (Topic 606), which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
- Recognize revenue when or as performance obligations are satisfied.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

The Organization's revenue from contracts with customers consists of transfers to homeowners and Habitat ReStore sales. The Organization's contracts have a single performance obligation. The transaction price is the amount of consideration to which the Organization expects to be entitled in exchange for transferring goods to the customer. Revenue is recorded based on transaction price, which is a fixed consideration. The Organization recognizes Habitat ReStore sales at a point in time when control of the goods is passed to the customer, which typically occurs at point of sale and is also when customer payment is collected. Sales from the Habitat ReStore are reported net of sales tax collected.

The Organization recognizes revenue from home sales at a point in time, when a closing occurs. A closing is considered to occur when title, possession and other attributes of ownership have been transferred to the buyer; and the Organization is not obligated to perform significant activities and changes in net assets after the sale. Revenue from the sale of homes is recorded in the consolidated statements of activities and changes in net assets as transfers to homeowners. Transfers to homeowners are recorded at the gross mortgage amount plus down payment received.

Federal, state and local government and other grant transactions within the scope of Topic 606, if any, are recognized as support when performance occurs pursuant to the contract agreement.

The Organization performs an evaluation at contract inception focused on whether a performance obligation is satisfied over time or at a point in time. Performance obligations meeting certain specific criteria, is recognized over time as the customer consumes and receives the benefit of the Organization's services as they are performed. If certain criteria is not met, the revenue is recognized at a point in time.

All revenue recognized under Topic 606 is recognized at a point in time.

Revenue recognition on contracts and grants deemed to be non-exchange transactions follow FASB ASC 958-605, Revenue Recognition (Topic 958-605). Unconditional contributions received, including promises to give, cash, other assets and grants and contracts deemed to be non-exchange transactions, are recorded as support to net assets with or without donor restrictions, at estimated fair value, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purposes restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the consolidated statements of activities and changes in net assets as net assets released from restrictions.

Conditional contributions are those contributions that certain donor imposed rights of refund/return and barriers (performance obligations and/or controlling stipulations). Conditional contributions are recognized into revenue when conditions are satisfied and then follow the above polices for unconditional contributions. Conditional contributions received in advance of satisfying conditions are recorded as deferred revenue.

The Organization accounts for sales of mortgages receivable under FASB ASC 860-20, Sales of Financial Assets. Gain on sale of loans sold are recognized when the loans are sold and include cash from any sale and the write off of any discounts on the mortgage loans.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

Contributed non-financial assets: Contributed nonfinancial assets consists of donated services, materials, and land which are recorded as increases in net assets without donor restrictions unless the use of the related assets is limited by donor imposed restrictions. Donated services, materials and land are reflected in the accompanying consolidated statements of activities and changes in net assets, at their estimated fair values at the date of receipt. The Organization reports revenues for the fair value of donated services received when the services require specialized skills, are provided by individuals possessing those skills, and represent services that would have been purchased had they not been donated.

During the years ended June 30, 2022 and 2021, contributed nonfinancial assets recognized within the consolidated statements of activities included:

	2022			2021
Building materials and services Land Habitat ReStore merchandise	\$	1,085,566 26,509 1,353,182	\$	412,917 160,949 1,345,424
	\$	2,465,257	\$	1,919,290

Building materials and services include donated appliances, labor hours, and other supplies used in the construction or renovation affordable houses for those who lack adequate shelter. No donated building materials and services received during the period were restricted for use. In valuing building materials, including donated appliances and other supplies, the Organization estimates the fair value on the basis of estimates of wholesale values that would be received from selling similar products in the United States. Contributed labor from donors are valued at the estimated fair value based on current rates for similar services.

The contributed land will be used for the Organization's mission. Construction will commence upon the Organization's selected a homeowner candidate and receipt of required permits. Land is restricted to construct and sell a homeowner candidate meeting certain eligibility requirements. Contributed land from various financial institutions and donors is recorded at their tax assessed just market value which approximates fair value.

The Organization receives contributed merchandise to be sold in the Habitat ReStore. These items are sorted, and those that can be renovated or reconditioned are processed by Organization employees and converted to salable merchandise. Donated merchandise is recorded as contribution revenue and an increase in donated merchandise sold. The value of donated items at estimated fair value is based on the Organization's ultimate selling price. The items that cannot be renovated or reconditioned are sold as salvage. Proceeds from the sale of contributed non-financial assets are used to fund the Organization's programs.

Advertising costs: Advertising costs are expensed as incurred and were approximately \$202,000 and \$148,000 for the years ended June 30, 2022 and 2021, respectively.

Income tax status: Habitat and Pinellas CHDO are not-for-profit organizations that are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (IRC), and are exempt from federal income taxes on related income pursuant to Section 501(a) of the IRC. Pinellas Funding is a disregarded entity and, therefore, revenues and expenses flow through to Habitat for federal tax purposes. Accordingly, no provision for income taxes is reflected in the accompanying consolidated financial statements.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

The Organization has adopted the accounting standard on accounting for uncertain income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the consolidated financial statements. Under this policy, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position would be sustained on examination by taxing authorities, based on the technical merits of the position. Management has evaluated the Organization's tax position and had concluded the Organization has taken no uncertain tax positions that require disclosure.

The Organization would be liable for income taxes in the U.S. federal jurisdiction. Generally, the Organization is no longer subject to U.S. federal tax examinations by tax authorities before 2019.

Functional expense allocation: The costs of providing the programs and supporting services have been reported on a functional basis in the consolidated statements of activities and changes in net assets and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefitted. Program and supporting expenses, when specifically identifiable, are classified to the function which incurred the expense. Expenses allocated using management's estimate of time spent include payroll, employee benefits, and retirement plan expenses. Expenses allocated using management's estimate of usage include professional services, certain insurance, and depreciation and amortization. Lastly, expenses allocated using square footage include rent and utilities.

Recently adopted accounting pronouncements: In September 2020, the FASB issued ASU 2020-07, Not-for-Profit Entities (Topic 958): Presentation and Disclosure by Not-for-Profit Entities for Contributed Nonfinancial Assets. This ASU is intended to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in-kind, for not-for-profit entities. The ASU requires a not-for-profit organization to present contributed nonfinancial assets as a separate line item in the consolidated statement of activities apart from contributions of cash or other financial assets. The ASU also requires enhanced disclosure, including disaggregation of nonfinancial assets recognized by category and qualitative information about each category. The Organization adopted ASU 2020-07 during the year ended June 30, 2022, which resulted in enhanced disclosures in the consolidated financial statements.

Recent accounting pronouncements: In February 2016, FASB issued ASU 2016-02, *Leases*, *(Topic 842)*, which sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract (i.e., lessees and lessors). The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principal of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expense is recognized based on an effective interest method or on a straight-line basis over the term of the lease, respectively. A lessee is also required to record a right-of-use asset and a lease liability for all leases with a term of greater than 12 months regardless of their classification. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The new standard requires lessors to account for leases using an approach that is substantially equivalent to existing guidance capital leases. The standard is effective for annual periods beginning after December 15, 2021 (the Organization's June 30, 2023, consolidated financial statements), with early adoption permitted. The Organization is in the process of evaluating the impact of this new guidance.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Significant Accounting Policies (Continued)

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments.* ASU 2016-13 amends guidance on reporting credit losses for assets held at amortized cost basis and available for sale debt securities. For assets held at amortized cost basis, ASU 2016-13 eliminates the probable initial recognition threshold in current U.S. GAAP and, instead, requires an entity to reflect its current estimate of all expected credit losses. The allowance for credit losses is a valuation account that is deducted from the amortized cost basis of the financial assets to present the net amount expected to be collected. This ASU affects entities holding financial assets and net investment in leases that are not accounted for at fair value through changes in net assets. The amendments affect loans, debt securities, trade receivables, net investments in leases, off balance sheet credit exposures, reinsurance receivables and any other financial assets not excluded from the scope that have the contractual right to receive cash. The amendments in ASU 2016-13 are effective for the Organization's fiscal year 2024. The Organization is currently evaluating the impact this ASU will have on its consolidated financial statements.

Subsequent events: Management has evaluated all events subsequent to the consolidated statements of financial position date of June 30, 2022, through November 1, 2022, which is the date the consolidated financial statements were available to be issued. There were no subsequent events that would require adjustment to or disclosure in the accompanying consolidated financial statements.

Note 2. Availability and Liquidity

The Organization maintains a policy of structuring its financial assets to be available as general expenditures, liabilities and other obligations come due. Generally, the Organization strives to maintain a minimum amount of cash on hand equal to 90 days of operating expense. The following represents the Organization's financial assets available to meet general expenditures over the next 12 months at June 30:

	2022	2021
Cash and cash equivalents, less use restrictions of \$80,000		_
and \$6,400 at June 30, 2022 and 2021, respectively	\$ 17,993,274	\$ 8,915,159
Accounts receivable	125,019	204,399
Unconditional promises to give (due in less than one year)	221,903	151,913
Estate receivable	-	1,570,860
Mortgages receivable (due in less than one year)	109,104	113,539
	\$ 18,449,300	\$ 10,955,870

Note 3. Unconditional Promises to Give and Estate Receivable

Unconditional promises to give and estate receivable consist of the following at June 30:

	 2022	2021
Gross unconditional promises to give	\$ 544,923	\$ 2,004,585
Less allowance for uncollectible promises	(66,000)	(56,000)
Less unamortized discount	(30,803)	(30,240)
Unconditional promises to give, net	\$ 448,120	\$ 1,918,345

Notes to Consolidated Financial Statements

Note 3. Unconditional Promises to Give and Estate Receivable (Continued)

Unconditional promises to give and estate receivable are due in the following as of June 30, 2022 and 2021:

	2022	2021
Amounts due in:		_
Less than one year	\$ 221,903	\$ 1,722,773
One to four years	323,020	281,812
	\$ 544,923	\$ 2,004,585

Promises to give with due dates extending beyond one year are discounted to present value using treasury bill rates with similar term investments with an added amount for economic uncertainty. The applicable discount rate for amounts due in more than one year was approximately 3%.

At June 30, 2022 and 2021, approximately \$40,000 and \$20,000, respectively, of unconditional promises to give were deemed uncollectible and written off.

During 2021, the Organization was named a 5% beneficiary in an estate and trust which became irrevocable in May 2021. The gift was made without donor restriction. As of June 30, 2021, the Organization has an outstanding estate receivable balance of approximately \$1,571,000 which was collected during fiscal year 2022.

Note 4. Property and Equipment

Property and equipment consists of the following at June 30:

	2022	2021
Vehicles	\$ 234,748	\$ 183,745
Furniture and fixtures	53,166	96,423
Buildings	192,267	192,267
Leasehold improvements	768,214	405,773
Signage	22,205	45,254
Construction equipment	6,446	52,690
Office equipment	 295,977	213,040
	1,573,023	1,189,192
Less accumulated depreciation	 (680,126)	(770,540)
	\$ 892,897	\$ 418,652

Depreciation expense was approximately \$130,000 for the each of the years ended June 30, 2022 and 2021.

Notes to Consolidated Financial Statements

Note 5. Mortgages Receivable, Net

Mortgages receivable, net consist of the following at June 30:

	 2022	2021
Non-interest bearing loans at par value	\$ 1,490,636	\$ 1,368,981
Less unamortized discount based on imputed interest	 (740,475)	(650,185)
	\$ 750,161	\$ 718,796

As of June 30, 2022, two loans with a par value of approximately \$318,000 were non-performing. All loans were deemed performing as of June 30, 2021, and no loans were past due. Loans are deemed performing if they are less than 90 days delinquent, or if on an approved payment plan and current with the terms of the plan. Total amount of loans past due was approximately \$17,000 as of June 30, 2022.

As of June 30, 2022, the balances due on the mortgages that are scheduled to be received for the next five years and thereafter are as follows:

Years ending June 30,	
2023	\$ 109,104
2024	98,560
2025	93,041
2026	86,829
2027	79,644
Thereafter	 1,023,458
	\$ 1,490,636

The initial amount of each mortgage loan approximates the Organization's cost to build the house, plus mortgage discount expense. The residential mortgage loans have been discounted to reflect their economic value. The interest rates used to determine the discount range from 3.0% to 10.0% and are based on prevailing market rates, as provided by either Habitat International or applicable federal rates, in the year the mortgage originated. The discount rate used for each of the years ended June 30, 2022 and 2021, was 7.66%. The discount is calculated by computing the present value of each of the non-interest-bearing notes using the applicable discount rate.

The Organization typically sells mortgages receivable to various financial institutions at face value. During the years ended June 30, 2022 and 2021, the Organization sold mortgages receivable with a face value of \$13.9 million and \$11.1 million, respectively. The Organization recognized no gain on sale of mortgages during the years ended June 30, 2022 and 2021.

The Organization services loans which it had sold to various banks. Under the agreements with the banks, the Organization agrees to service all loans in accordance with all applicable federal and state laws and regulations, and customary practices, policies and procedures for servicing residential mortgage loans. Additionally, in the event a loan becomes in default, the loan is subject to certain recourse by the bank.

At June 30, 2022, the recorded investment of mortgages receivable secured by real estate for which formal foreclosure proceedings are in process is approximately \$315,000. At June 30, 2021, no mortgages receivable secured by real estate were in formal foreclosure proceedings were in process.

Note 6. Beneficial Interest in Assets Held By Foundations

The Organization established funds, with the use of net assets with donor restrictions, within the Pinellas Community Foundation (PCF) in the amount of \$10,000 and Community Foundation of Tampa Bay (CFTB) in the amount of \$10,000 and named the Organization as beneficiary of each fund (original funds). During 2021, with the use of net assets without donor restrictions, the Organization established additional funds within PCF in the amount of \$1,000,000 and CFTB in the amount of \$500,000 and named the Organization as beneficiary of each fund. The various fund agreements grant variance power to the respective community foundations, which allows the respective community foundation to modify any condition or restriction on its distributions for any specified charitable purpose or to any specified organization if, in the sole judgment of the respective community foundation's board of directors, such restriction or condition becomes unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community. The source of the funds originated from contributions without restrictions. Earnings on the funds, net of any service fees, will be periodically distributed to the Organization in accordance with the agreement. The Organization has received approximately \$187,000 and \$39,000 in earnings on these accounts for the years ended June 30, 2022 and 2021, respectively. The portfolio is managed by an investment company with oversight by PCF and CFTB. As of June 30, 2022 and 2021, the Organization's investment in beneficial interest in assets held by community foundations totaled approximately \$1,374,000 and \$1,561,000, respectively.

Note 7. Fair Value Measurement

The Organization's investments are reported at fair value in the accompanying consolidated statements of financial position.

Fair value of assets measured on a recurring basis at June 30, 2022 and 2021, is as follows:

		Fair Value Measurements Using				nts Using
			Quoted	Sigr	nificant	
			Prices in	C	Other	Significant
	Estimated		Active	Obs	ervable	Unobservable
	Fair		Markets	Ir	nputs	Inputs
2022	Value		Level 1	Le	evel 2	Level 3
Beneficial interest in assets held by community foundations	\$ 1,374,226	\$		¢		\$ 1,374,226
community roundations	φ 1,374,220	φ	-	φ	-	φ 1,374,220
2021						
Estate receivable Beneficial interest in assets held by	\$ 1,570,860	\$	-	\$	-	\$ 1,570,860
community foundations	1,561,014		-		-	1,561,014
	\$3,131,874	\$	-	\$	-	\$ 3,131,874

The beneficial interest in assets held by community foundations are managed by two independent third-party trustees, and the Organization has no authority over investment decisions. The trust assets are valued based upon the third-party information without adjustment. The Organization does not develop, nor are they provided with, the quantitative inputs used to develop the fair market values. Thus, the beneficial interest in assets held by community foundations are classified as Level 3 within the fair value hierarchy level.

Notes to Consolidated Financial Statements

Note 7. Fair Value Measurement (Continued)

The estate receivable was valued based on the Organization's percentage ownership of the underlying assets held by the trust adjusted for expected expenses of the estate. Thus the estate receivable was classified as Level 3 within the fair value hierarchy level.

During the years ending June 30, 2022 and 2021, there were no transfers into and out of Level 3 investments. The following is a reconciliation of the beginning and ending balances of assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) for the years ended June 30, 2022 and 2021.

		Beneficial Interest in sets Held by	
	Estate	Community	Tatal
	 Receivable	 oundations	Total
Balance as of June 30, 2020	\$ -	\$ 22,135	\$ 22,135
Additions	1,570,860	1,500,000	3,070,860
Change in beneficial interests	 -	38,879	38,879
Balance as of June 30, 2021	\$ 1,570,860	\$ 1,561,014	\$ 3,131,874
Additions	-	27,176	27,176
Distributions	(1,570,860)	-	(1,570,860)
Change in beneficial interests	 -	(213,964)	(213,964)
Balance as of June 30, 2022	\$ _	\$ 1,374,226	\$ 1,374,226

Note 8. Investment in Joint Venture

The Organization participates in New Markets Tax Credit (NMTC) programs. NMTC financing allows an entity to receive a loan or investment capital from outside investors, who will receive new markets tax credits to be applied against their federal tax liability. The programs provide funds to eligible organizations for investment in "qualified low-income community investment". Program compliance requirements included creation of a promissory note and investment in a qualified community development entity (CDE). Tax credit recapture is required if compliance requirements are not met over a seven-year period.

In December 2019, the Organization invested in a partnership (Habitat Pinellas Leverage III, LLC), with 95.0% ownership to take advantage of NMTC financing. As a result, the Organization has invested \$4,032,750 and was able to secure two 20-year loans in the amount of \$4,245,000 and \$1,755,000 payable to a community development entity. The loan proceeds are to be used solely for the purpose of acquiring, rehabbing and/or constructing single-family homes in qualified census tracts and selling all homes to low-income persons. The loans are interest only for years one through seven at a reduced rate of 0.7076% per year. Beginning in year eight through year 20 the principal balance of the loan is reduced by a 12-year amortization at the same rate of 0.7076%. In December 2026, Hancock Whitney New Markets Investor 37, LLC (the Fund), and the upstream effective owner of Hancock Whitney New Markets CDE 37, LLC (holder of the promissory note due from the Organization) is expected to exercise its put option. Under the terms of the put option agreement, Habitat Pinellas Leverage III, LLC is expected to purchase the ownership interest of the Fund. Exercise of the option will effectively allow the Organization to extinguish its outstanding debt owed to the Fund.

Notes to Consolidated Financial Statements

Note 8. Investment in Joint Venture (Continued)

Investments in joint ventures are accounted for under the equity method, with the Organization's share of the operating results of the joint venture reflected in investment income from joint venture. During each of the years ended June 30, 2022 and 2021, investment income from joint ventures was approximately \$40,000 and \$30,800, respectively, and is included in investment income on the consolidated statements of activities and changes in net assets.

Note 9. Capital Lease Payable

Years ending June 30:

The Organization acquired equipment through capital lease arrangements. Equipment under the capital leases totaled approximately \$77,000 at June 30, 2022 and 2021. Depreciation expense reported in the consolidated statements of functional expenses for each of the years ended June 30, 2022 and 2021, was approximately \$15,000.

Minimum payments required under the capital lease during the following fiscal years are as follows at June 30, 2022:

2023		\$	13,930
2024			13,930
2025			3,088
Total minimum lease payments			30,948

(170,670) 8,474,585

Notes to Consolidated Financial Statements

Note 10. Notes Payable (Continued)

The following is a summary of future contractual debt maturities during each of the following years ending June 30:

2023	\$ 253,631
2024	1,815,875
2025	729,521
2026	75,840
2027	62,767
Thereafter	 6,606,090
	\$ 9,543,724

During the year ended June 30, 2022 and 2021, the Organization incurred no debt issuance costs in connection with the issuance of notes payable above. Debt issuance costs are presented as a reduction of notes payable to be amortized over the term of the loan. The components of debt issuance costs are as follows at June 30:

	2022			2021
Loan costs	\$	184,509	\$	184,509
Less accumulated amortization	·	(23,174)	·	(13,839)
Total direct debt costs, net	\$	161,335	\$	170,670

Interest expense related to the direct debt costs for the years ended June 30, 2022 and 2021, was approximately \$9,000 and \$15,000, respectively.

Note 11. Net Assets With Donor Restrictions

Net assets with donor restrictions were as follows at June 30:

	 2022	2021
Subject to expenditure for specified purpose or time restriction:		
Unconditional promises to give, net of unamortized discount	\$ 514,121	\$ 403,485

	\$ 655,631	\$ 2,189,427

Notes to Consolidated Financial Statements

Note 11. Net Assets With Donor Restrictions (Continued)

Net assets released from donor restrictions by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time were as follows for the years ended June 30:

		2022		2021
Unconditional promises to give not of unconstined discount	ф	1 001 711	ው	144.006
Unconditional promises to give, net of unamortized discount	\$	1,801,714	Ф	144,096
Use restriction		6,400		13,750
Donated labor and materials		26,000		94,500
Donated land		147,682		53,410
	\$	1,981,796	\$	305,756

Note 12. Leases

The Organization leases its office and two ReStore locations under non-cancelable operating lease agreements with expiration dates through September 2026. In addition to monthly base rent, the Organization is required to pay 5% of ReStore sales to the landlord. Total rent expense was approximately \$743,000 and \$484,000 for the years ended June 30, 2022 and 2021, respectively.

Based on the terms of the agreements, the minimum payments, excluding the percentage of Habitat ReStore's gross sales, due on all leases are as follows at June 30, 2022:

Years ending June 30:	
2023	\$ 497,695
2024	514,776
2025	532,361
2026	537,031
2027	77,939
	\$ 2,159,802

Note 13. Commitments and Contingencies

Litigation: The Organization is exposed to various asserted and unasserted potential claims encountered in the normal course of business. In the opinion of management, the resolution of these matters will not have a material effect on the Organization's consolidated financial position or the results of its operations.

Grantors: Certain expenditures incurred by the Organization are subject to audit and possible disallowance by federal and state agencies. Management believes that, if audited, an adjustment for disallowed expenses would be immaterial. Additionally, certain properties sold maintain land use restrictions over a period of time which require the properties to be owned by families of low-income. Noncompliance with the land use restriction could result in repayment of all or a portion of previous amounts forgiven. Management believes the Organization is in compliance with land use restrictions through June 30, 2022.

Notes to Consolidated Financial Statements

Note 13. Commitments and Contingencies (Continued)

COVID-19: On January 30, 2020, the World Health Organization declared the coronavirus (COVID-19) outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas and forced closures for certain types of public places and businesses. COVID-19 and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Organization operates. It is unknown how long these conditions will last and what the complete financial effect will be on the Organization. The extent of the impact of COVID-19 on the Organization's operations and financial performance are uncertain and cannot be predicted. Management is continually monitoring the impact of COVID-19.

The Organization received proceeds from the Paycheck Protection Program in the amount of \$536,607. During 2021, under the terms of the loan, the entire outstanding principal balance and accrued interest was forgiven. The Small Business Administration has the ability to review the original application and forgiveness application for six years to assess compliance with the CARES Act. Management believes the Organization is in compliance with the CARES Act and does not anticipate repayment of any amounts forgiven.

Note 14. Transactions With Habitat International

The Organization remits a portion of its contributions without donor restrictions to Habitat International as tithe to support its operations. The Organization contributed \$579,500 and \$210,000 to Habitat International during the years ended June 30, 2022 and 2021, respectively. These amounts are included in program expense in the consolidated statements of activities and changes in net assets.

Note 15. Community Development Block Grant

On June 15, 2006, the Organization was awarded a Community Development Block Grant (Grant) from Pinellas County, Florida in the amount of \$350,000. Under the Grant, the Organization acquired 2.5 acres of land in Dunedin, Florida and constructed 18 affordable home ownership housing units. If the homebuyer sells the property between years six and 20, the Organization is required to return a prorated portion of the funds back to Pinellas County. The Organization has recorded a second mortgage on the properties to secure its interest in the properties. Both an asset for the second mortgage and a corresponding liability of \$350,000 due to Pinellas County, are recorded as a deferred affordable housing note, and are reflected in the June 30, 2022 and 2021, consolidated statements of financial position. The amounts will be forgiven in 2026 if the homebuyers do not sell the properties.

Note 16. Sale of Mortgages With PNC Bank

In August 2013, Pinellas Funding was formed as a single member LLC with Habitat as the member. During 2014, Pinellas Funding acquired seven mortgages from Habitat with a carrying value of \$666,422. Pinellas Funding then entered into a note purchase agreement with PNC Bank. Pinellas Funding authorized the issuance and sale of the mortgages with a face value of \$1,004,236 to PNC Bank for \$666,422 on August 29, 2013. This transaction did not meet the requirements under ASC 860 to be treated as a sale due to the Organization maintaining effective control and involvement with the mortgage receivables. Accordingly, the mortgages receivable were not derecognized and are recorded in other mortgages receivable in the accompanying consolidated statements of financial position in the amount of approximately \$500,000 and \$661,000 at June 30, 2022 and 2021, respectively. Additionally, the Organization recorded a note payable due to PNC Bank. See Note 10 for the terms and outstanding balance of the offsetting PNC note payable at June 30, 2022 and 2021.

Notes to Consolidated Financial Statements

Note 17. Retirement Plan

The Organization has a 401(k) profit sharing plan that provides for a discretionary matching contribution. For the years ended June 30, 2022 and 2021, the Organization made contributions of approximately \$88,000 and \$56,000, respectively.

Note 18. Conditional Promises to Give from Grantors and Donors

The Organization has conditional promises to give from grantors and donors of approximately \$861,000 and \$361,000 as of June 30, 2022 and 2021, respectively. Future payments are contingent upon the Organization carrying out certain activities (meeting grant and donor imposed barriers) stipulated by the grant or contract.

Conditional promises to give from the Organization's grantors and donors consist of the following:

	2022 20			2021
Cash grants from Habitat International passed through				
from the U.S. Government	\$	361,196	\$	361,196
Cash grants from other grantors/donors		500,000		-
	\$	861,196	\$	361,196

See accompanying notes to schedule of expenditures of federal awards.

Notes to Schedule of Expenditures of Federal Awards

Note 1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Habitat for Humanity of Pinellas County, Inc. (the Organization). The information in this Schedule is presented in accordance with the requirements of Subpart F of Title 2 U.S. Code of Federal Regulations (CFR), Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

Some amounts presented in the Schedule may differ from amounts presented or used in the preparation of the consolidated financial statements.

Note 2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3. Indirect Costs

The Organization has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Note 4. Self-Help Homeownership Opportunity Program

HUD's Self-Help Homeownership Opportunity Program (SHOP) grants and loans were passed through to Habitat by Habitat for Humanity International, Inc. (Habitat International). The SHOP Agreement stipulates that 75% of each sub-grant from Habitat International to the affiliate is in the form of a grant and 25% is in the form of a loan. The awards provided under CFDA 14.247 for SHOP were as follows for the year ended June 30, 2022:

	Identifying		Federal
Pass-Through Grantor	Number	Expenditures	
Habitat International	SHOP 2012 – Existing Loans	\$	795
Habitat International	SHOP 2013 – Existing Loans		12,667
Habitat International	SHOP 2014 – Existing Loans		5,760
Habitat International	SHOP 2015 – Existing Loans		19,637
Habitat International	SHOP 2016 – Existing Loans		84,634
Habitat International	SHOP 2017 – Existing Loans		106,250
Habitat International	SHOP 2018 – Existing Loans		35,500
Habitat International	SHOP 2019 – Existing Loans		25,375
		\$	290,618

^{*}Represents the balance of a loan from a previous year that the federal government imposes the continuing compliance requirements equaling \$290,618.

RSM US LLP

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Independent Auditor's Report

Board of Directors Habitat for Humanity of Pinellas County, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Habitat for Humanity of Pinellas County, Inc. and Subsidiaries (the Organization), which comprise the consolidated statement of financial position as of June 30, 2022, the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements (collectively, the financial statements), and have issued our report thereon dated November 1, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

RSM US LLP

Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance

Independent Auditor's Report

Board of Directors Habitat for Humanity of Pinellas County, Inc.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Habitat for Humanity of Pinellas County, Inc. and Subsidiaries' (the Organization) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2022. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to the audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Organization's compliance with the compliance requirements
 referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in
 order to design audit procedures that are appropriate in the circumstances and to test and report on
 internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of
 expressing an opinion on the effectiveness of the Organization's internal control over compliance.
 Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above, and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit, we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
